

BGC Announces Agreement to Sell its Insurance Brokerage Business to The Ardonagh Group for \$500 Million

5/26/2021

Transaction Expected to Close in the second half of 2021

NEW YORK, May 26, 2021 /PRNewswire/ -- BGC Partners, Inc. (Nasdaq: BGCP) ("BGC"), a leading global brokerage and financial technology company, announced today that it has entered into an agreement to sell its Insurance Brokerage business for \$500 million of cash consideration to The Ardonagh Group Limited ("Ardonagh").

MANAGEMENT COMMENTS:

Howard W. Lutnick, Chairman and Chief Executive Officer of BGC, said: "The agreement to sell our Insurance Brokerage business for \$500 million reflects the significant value we have created since entering this market in 2017. Like our previous sales of eSpeed and Trayport, as well as our IPO and tax-free spin-off of Newmark, this sale further demonstrates our commitment to driving shareholder value.

While we have built an exceptional Insurance Brokerage business, this sale will focus our resources on Fenics. We expect to use the proceeds to accelerate Fenics growth and to repurchase shares and/or units.

Ardonagh is an excellent partner to continue our Insurance Brokerage business. The combined platform will add to their strength, capability, and create the world's leading independent specialty insurance broker.

While our Insurance Brokerage business provided less than 10 percent of BGC's total revenue over the trailing twelve-months¹, the \$500 million of cash that we expect to receive represents over 17 percent of BGC's fully diluted market capitalization².

The sale proceeds will provide additional capital to accelerate Fenics growth, which increased 40 percent year-over-year in the first quarter of 2021. Additionally, our Fenics Growth Platforms, which include Fenics UST, Fenics GO, Lucera, Fenics FX, and other newer standalone platforms, grew more than 82 percent over the same period. While the growth of our Insurance Brokerage business was industry-leading, we believe the scale and scope of the Fenics opportunity is far greater, with potential to drive shareholder value materially higher."

Mr. Lutnick, concluded: "We have been clear and consistent about our plans to express the value of BGC's assets. This transaction demonstrates our commitment to increase shareholder value and focus our interest on Fenics,

which we believe represents the greatest opportunity for our Company."

PROPOSED TRANSACTION DETAILS AND FINANCIAL IMPACT:

Under the terms of the purchase agreement, Ardonagh will acquire the equity of the entities that comprise BGC's Insurance Brokerage business³. BGC will receive \$500 million in cash, subject to limited adjustments, upon completion of the transaction.

The transaction is expected to close in the second half of 2021, subject to customary closing conditions, including the receipt of required regulatory approvals.

The one-time gain associated with the transaction will be reflected in BGC's consolidated results under U.S. Generally Accepted Accounting Principles (GAAP) but will be excluded from the Company's results for Adjusted Earnings.

BGC's Insurance Brokerage business contributed approximately \$191 million⁴ in revenue during the twelve-month period ending March 31, 2021.

BGC intends to use the proceeds from the sale to invest in its Fenics business, to repurchase BGC shares and/or units, and for general corporate purposes.

ADVISORS:

Cantor Fitzgerald & Co. and Bank of America are serving as financial advisors, and Bryan Cave Leighton Paisner LLP is acting as counsel to BGC.
